LONDON TO PARIS BIKE RIDE 26TH-30TH JULY: (Dr. Mike Masding writes)

In the past you have kindly sponsored me when I have cycled Ride100 but this year I'm going to do something different to raise money for my favourite charity JDRF – Juvenile Diabetes Research Foundation - I'm going to be part of a group riding our bikes from London to Paris! JDRF is a charity that raises money to help patients with TYPE 1 DIABETES. This is a lifelong condition that requires insulin treatment, often starting in children and young people.
I am the lead consultant in the Diabetes department at Poole Hospital, where I specialise in looking after young people with Diabetes and pregnant diabetic ladies. In both of these settings it is really difficult for patients, yet I never cease to be amazed at how these people get on with it, don't complain and make successes of themselves. This is why I am trying to raise as much money as I can for JDRF.
The ride is over 3 days - about 60 to 80 miles each day. It should be great fun, finishing under the Eiffel Tower! THANK YOU VERY MUCH FOR ANY DONATIONS - I APPRECIATE ALL SUPPORT, NO MATTER THE AMOUNT. My Mum and Dad, Joan and John Masding are collecting sponsors for me so please see them if you are able to support me. Thank you again for your ongoing financial support which is so much appreciated. .

' EXPLORING OUR FAITH 'A number of people have expressed interest in forming a regular Home Group to discuss topics of interest relating to our Catholic Faith. A wide range of resources are available for such a group and it is hoped that each session would prove both interesting and enjoyable for those attending. An initial planning meeting will be held on WEDNESDAY JUNE 6th from 7.30 to 9.30 pm when we will decide such matters as : frequency of meeting, venue and time , ideas for a programme of meetings. Anyone interested is very welcome to attend. Further information from Jill Bourne (07534 805183) or Peter Green(07858 414964).
